

Growing Links

What do we want?

A wide-angle photograph of a vast field of yellow flowers, likely a field of yellow irises, stretching towards a line of green trees in the distance. The sky is blue with scattered white and grey clouds. The text "A little history..." is overlaid in white on the left side of the image.

A little history...

Building strong, resilient and cohesive communities around food

Ensuring access to growing spaces and food skills

Making connections between people
and food for the health of land and sea
